

## Nilesh Gaikwad

EMBEDDED DEVELOPER,  
ELECTRONICS &  
TELECOMMUNICATION ENGINEER

+919284543320

nileshdgaikwad8805@gmail.com

Life Republic, Marunji, Dist.  
Pune, Maharashtra, 411057

### TECHNICAL SKILLS

C & Embedded C

C++ Programming

DSA

ARM7 (LPC2129/48)

UART, I2C & SPI Protocols

Linux

Keil IDE, Proteus & EasyEDA

PCB Designing

### CERTIFICATIONS

Data Analyst Internship - 2024

[View Certificate](#)

Internal Hackathon - 2022

[View Certificate](#)

Python Programming - 2022

[View Certificate](#)

## CAREER OBJECTIVE

Seeking for a role within a fast growing and developing organization to apply technical expertise in designing and electronic & embedded systems, contributing to the success of a dynamic organization.

## EDUCATION

**Bachelors in Electronics & Telecommunication Engineering** 2020 - 2023

Prof. Ram Meghe Institute of Technology & Research,  
Badnera-Amravati.

Aggregate Percentage - 75.72 %

[View Marksheets](#)

**Diploma** 2017 - 2020

Government Polytechnic Amravati

Percentage - 78.75 %

[View Marksheets](#)

**SSC (10th)** 2016 - 2017

Shri. Marwadi Rajasthan Vidyaly, Latur

Percentage - 68.20 %

[View Marksheets](#)

## RECENT DEVELOPMENT

**Embedded System Internship (R&D)** Oct 2024 - Jan 2025

INDKARTA Research & Development, Pune

**Cloud Application Development (AWS)** Mar-June 2024

Generation India & Vinsys IT Services, Pune

## COMPANY PROJECTS - INDKARTA R&D

**Automatic Powder Diluter using ESP32 (IOT)** 2024

- Designed and Developed an Automatic Powder Diluter, Developed a solution utilizing the ESP32 WROOM module to automate the dilution process with precision and efficiency.
- Dual-Core Architecture: Leveraged both cores of the ESP32 for parallel processing, optimizing task execution and system performance.
- Powder Mixing Automation: Automated the mixing process with precise timing and control, reducing human intervention and improving operational consistency.
- Real-Time Monitoring: Integrated sensors to provide real-time feedback on powder falling status, ensuring all things are perfect.
- User-Friendly Interface: Developed an intuitive interface for monitoring and controlling the system, enhancing usability and operational ease.
- IOT Support: Designed the system with Real time updating data on cloud storage as well control using IOT.
- Scalable and Modular: Built the solution to accommodate additional functionalities such as IOT enabled remote control or integration with larger automation systems.

**Skills Utilized: ESP32, Multi Core Processing, C++, GSM & GPRS (IOT), System Design & Research.**

## SKILLS

---

- Communication
- Team Player
- Creativity

## HOBBIES & INTERESTS

---

- Watching Movies
- Making Electronics Projects
- Learning new things
- Interested in Programming
- Interested in working with Hardware and Software Both.

## PROFILES

---

## ACADEMIC PROJECTS

---

### Border Petrolling Robot using RaspberryPI 2022 - 2023

- Designed and implemented a border patrolling robot using Raspberry Pi and PiCAM, capable of autonomous navigation along a predefined path.
- Live Camera Surveillance: Real-time video feed for continuous monitoring using the PiCAM.
- GPS Tracking: Accurate location data for the rover's position, enabling precise movement along predefined routes.
- Obstacle Avoidance: Integrated sensors allow the robot to detect and avoid obstacles in real-time, ensuring smooth operation in challenging terrains.
- Human Detection: Advanced image processing algorithms used to detect human presence, enhancing security capabilities for border surveillance..
- Modular and Scalable Design: The system is built with flexibility, allowing for additional sensors or functionalities to be incorporated as needed.

**Skills Utilized: Raspberry PI, Python, Image Processing, Sensors.**

## EXTRACURRICULAR ACTIVITIES

---

- Participated in the Smart India Hackathon
- Participated in Techno Ignite Competition.
- Participated in the Robokart Competition.

## PERSONAL DETAILS

---

**DOB** - 21 Jan 2002

**Gender** - Male

**Father Name** - Dileep Gaikwad

**Languages** - English, Marathi, Hindi
